SafeReel Training

120 COURSE TOPICS

Course Topic Catalog · Owned by Safety People LLC · safereel.app

1. Active Shooter Response: Run, Hide, Fight
2. Aerial Lift Safety: Plan, Protect, Operate
3. Anhydrous Ammonia Awareness
4. Asbestos Awareness (2-Hour)
5. ATV & UTV Safety
6. Back Injury Prevention: Plan, Reduce, Protect
7. Bench and Pedestal Grinders: Guard, Adjust, Grind
8. Bloodborne Pathogens: Protect, Prevent, Report
9. Boom Lift Charging and Refueling: Electric, Diesel, and Propane
10. Boom Lift Pre-Start Inspection (Detailed)
11. Cal/OSHA Heat Illness Prevention (Title 8 §3395)
12. California IIPP: Employee Awareness
13. California IIPP: Employer Requirements and Implementation
14. California Roofing Safety & Fall Protection
15. California Sexual Harassment Prevention (Employee, 1 Hour)
16. California Sexual Harassment Prevention (Supervisor, 2 Hours)
17. Cardboard Baler Safety
18. Chainsaw Safety for Landscape Crews
19. Choosing PPE: Match the Hazard
20. Cleaning Up Small Chemical Spills: Assess, Contain, Clean
21. Cold Stress Prevention
22. Combustible Dust: Recognize, Control, Prevent Explosions
23. Compressed Air Safety: Clean, Connect, Control
24. Compressed Gas Cylinders: Store, Move, Use Safely
25. Confined Spaces: Recognize, Control, Protect
26. Construction Ergonomics Awareness
27. Corrosives Safety: Acids, Bases, and Emergency Flushing
28. Crane Signal Person Awareness
29. Defensive Driving
30. DOT Hazmat Driver Training: Highway Transport of Hazardous Materials
31. DOT Hazmat General Awareness, Safety, and Security Awareness
32. DOT Hazmat Ground Shipping Function-Specific Training
33. DOT Hazmat In-Depth Security Training: Security Plan Foundations
34. Drug & Alcohol Safety: Fit for Duty, Safe at Work
35. Electrical Safety & Arc Flash Awareness
36. Emergency Action Plans: Prepare, Respond, Account
37. Excavation Competent Person: Soils, Sloping, Shoring
38. Extension Ladder Safety: Select, Set, Climb
39. Eye Safety: Select, Fit, Protect
40. Falling Objects: Secure Above, Protect Below

All courses are awareness-level training. Training completion does not establish qualification, certification or compliance. Employers remain responsible for site-specific instruction, hands-on training and evaluation where required.

120 COURSE TOPICS

Course Topic Catalog · Owned by Safety People LLC · safereel.app

41. Fire Extinguisher Inspections: Check, Report, Maintain

42. Fire Extinguisher Safety: Know When and How

43. Fire Prevention Plans (29 CFR 1910.39)

44. Fire Watch Training: Hot Work and System Impairments

45. First Aid, CPR & AED Awareness

46. Flammable and Combustible Liquids for General Industry

47. Focus Four: Caught-In or -Between Hazards

48. Focus Four: Electrocution Hazards in Construction

49. Focus Four: Fall Hazards in Construction

50. Focus Four: Struck-By Hazards in Construction

51. Forklift Charging and Refueling: Electric, Propane, and Diesel

52. Forklift Operator Safety: Inspect, Control, and Protect

53. Forklift Pedestrian Safety

54. Forklift Pre-Operation Inspection (Detailed)

55. Hand Tool Safety: Select, Inspect, Use

56. Hazard Recognition: Notice, Assess, Act

57. Hazardous Waste Management Awareness (RCRA)

58. HAZWOPER First Responder Awareness Level

59. Head Protection: Select, Fit, Inspect

60. Hearing Protection: Control the Noise

61. Heat Stress: Prevent, Recognize, Respond

62. Hexavalent Chromium Awareness

63. Hot Work Safety: Welding, Cutting & Fire Prevention

64. Hydrogen Peroxide 30-70%: Railcars, Totes and Drums

65. Hydrogen Sulfide (H_2S) Awareness

66. Incident Investigation & Root Cause Analysis for Supervisors

67. Indoor Heat Illness Prevention

68. Job Hazard Analysis: Break Down, Control, Review

69. Lead Awareness

70. Loading Dock & Trailer Safety

71. Lockout/Tagout Awareness: What Workers Near Machines Need to Know

72. Lockout/Tagout for Authorized Employees: Lockout Procedures & Equipment

73. Machine Guarding: Keep Danger Behind Barriers

74. Manufacturing Ergonomics Awareness

75. Mobile & Rolling Scaffolds: Move, Lock, Climb Safely

76. Mowers, String Trimmers, and Blowers Safety

77. Nail Gun Safety

78. New Employee Safety Orientation: Your First Day

79. NFPA 70E Electrical Safety Awareness (Qualified-Worker Level)

80. Office Ergonomics Awareness

All courses are awareness-level training. Training completion does not establish qualification, certification or compliance. Employers remain responsible for site-specific instruction, hands-on training and evaluation where required.

81. Office Safety & Emergency Preparedness

82. OSHA Recordkeeping for Supervisors: Record, Report, Retain

83. Outdoor Biological Hazards

84. Overhead & Gantry Crane Safety: Inspect, Operate, Lift

85. Overhead Crane Operator Training: Classroom Portion

86. Pallet Racking Safety: OSHA and Industry Standards

87. Personal Fall Arrest Systems: Inspect, Anchor, Rescue

88. Pesticide Handling Safety for Landscape Crews (Federal and California)

89. Portable Grinder Safety: Inspect, Guard, Control

90. Powder-Actuated Tool Safety

91. Power Tool Safety: Inspect, Guard, Control

92. Process Safety Management (PSM) Awareness

93. Railcar Hazmat Handling: Track Safety, Loading & Unloading

94. Reporting Injuries Promptly: Speak Up, Get Help

95. Respiratory Protection: Select, Fit, Use, and Care

96. Rigging, Slings & Hand Signals: Inspect, Hitch, Signal

97. Roof Tear-Off & Material Handling

98. Rough Terrain Forklift Safety

99. Safety Leadership for Supervisors

100. Safety Signs and Barricades: Read, Respect, Respond

101. Scaffolding Requirements: Build, Inspect, Protect

102. Scissor Lift Charging and Refueling: Electric, Diesel, and Propane

103. Scissor Lift Pre-Start Inspection (Detailed)

104. Scissor Lift Safety: Stable, Guarded, Clear

105. Silica Awareness: Control the Dust

106. Skid-Steer & Mini-Excavator Safety

107. Slips, Trips, and Falls: Keep Your Footing

108. SPCC Oil Spill Prevention Awareness

109. Spray Polyurethane Foam Roofing Awareness

110. Stormwater Pollution Prevention Awareness

111. Torch-Applied Roofing & Hot Asphalt Safety

112. Trailer Towing and Equipment Hauling

113. Tree Trimming and Arborist Awareness

114. Trenching & Excavation: Slope, Shore, Shield

115. Walking-Working Surfaces: Floors, Edges, Stairs & Ladders

116. Warehouse Safety: Plan, Move, Protect

117. Welding, Cutting & Brazing Safety

118. Wood Chipper Safety

119. Wood Shop & Carpentry Safety

120. Workplace Violence Prevention

All courses are awareness-level training. Training completion does not establish qualification, certification or compliance. Employers remain responsible for site-specific instruction, hands-on training and evaluation where required.
